

20/20 Eye Care, P.C.

Jane Dickerman, M.D.

I am writing this letter to inform you that I will be retiring at the end of September 2021.

It has been an honor and a privilege to care for you these many years. I do not have the words to express how much you have meant to me. You have been my second family, and I will miss you all.

20/20 Eye Care PC will stay open after I retire, as a new practice will be taking over. They will be able to take care of all your eye care needs. Your medical records will continue to be on file at 20/20 Eye Care and the staff will remain the same.

You will receive a separate letter from the new owners of 20/20 Eye Care that will update you further and help to make the transition seamless.

I wish you good health and happiness in your future.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jane Dickerman', written in black ink.
